

VIGIL MECHANISM / WHISTLE BLOWER POLICY

01. Preface

The Company believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behavior. Towards this end, the Company has adopted the Code of Conduct (“the Code”), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the employees in pointing out such violations of the Code cannot be undermined. There is a provision under the Code for employees to report violations, which states:

Every employee of a Company shall promptly report to the management any actual or possible violation of the Code or an event he becomes aware of that could affect the business or reputation of his or any other Company.

Accordingly, this Vigil Mechanism Policy (“the Mechanism”) has been formulated with a view to provide a mechanism for employees of the Company to approach the Chairman of the Audit Committee of the Company.

02. Scope

This Policy is an extension of the Company Code of Conduct. The Whistle Blower’s role is that of a reporting party with reliable information. They are not required or expected to act as investigators or finders of facts, nor would they determine the appropriate corrective or remedial action that may be warranted in a given case.

Whistle Blowers should not act on their own in conducting any investigative activities, nor do they have a right to participate in any investigative activities other than as requested by the Chairman of the Audit Committee or the Investigators.

Protected Disclosure will be appropriately dealt with by the Chairman of the Audit Committee, as the case may be.

03. Date of commencement:

This policy came into operation with effect from 26th May 2014.

04. Eligibility:

All Employees of the Company are eligible to make Protected Disclosures under the Policy. The Protected Disclosures may be in relation to matters concerning the Company or any other group Company.

05. Disqualifications:

While it will be ensured that genuine Whistle Blowers are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection will warrant disciplinary action.

Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistle Blower knowing it to be false or bogus or with a mala fide intention.

Whistle Blowers, who make three or more Protected Disclosures, which have been subsequently found to be mala fide, frivolous, baseless, malicious, or reported otherwise than in good faith, will be disqualified from reporting further Protected Disclosures under this Policy. In respect of such Whistle Blowers, the Company/Audit Committee would reserve its right to take/recommend appropriate disciplinary action.

Chairman, Audit Committee,
Enkei Wheels (India) Limited
Email id: haresh.mergersindia@gmail.com

- If a Protected Disclosure is received by any executive of the Company other than Chairman of Audit Committee or the Chairman of the Whistle Blower Committee, the same should be forwarded to the Chairman of the Audit Committee for further appropriate action. Appropriate care must be taken to keep the identity of the Whistle Blower confidential.
- Protected Disclosures should preferably be reported in writing so as to ensure a clear understanding of the issues raised and should either be typed or written in a legible handwriting in English, Hindi or in the regional language of the place of employment of the Whistle Blower.

The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistle Blower. The Chairman of the Audit Committee / Whistle Blower Committee, as the case may be shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation.

- Protected Disclosures should be factual and not speculative or in the nature of a conclusion, and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern and the urgency of a preliminary investigative procedure.
- The Whistle Blower must disclose his/her identity in the covering letter forwarding such Protected Disclosure. Anonymous disclosures will not be entertained as it would not be possible to interview the Whistle Blowers.

08. Investigation:

All Protected Disclosures reported under this Policy will be thoroughly investigated by the Chairman of the Audit Committee of the Company. They will investigate / oversee the investigations under the authorization of the Audit Committee.

The Chairman of the Audit Committee may at its discretion, consider involving any Investigators for the purpose of investigation.

The decision to conduct an investigation taken by the Chairman of the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistle Blower that an improper or unethical act was committed.

The identity of a Subject will be kept confidential to the extent possible given the legitimate needs of law and the investigation.

Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.

Subjects shall have a duty to co-operate with the Chairman of the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.

Subjects have a right to consult with a person or persons of their choice, other than the Investigators and/or members of the Audit Committee and/or the Whistle Blower. Subjects shall be free at any time to engage counsel at their own cost to represent them in the investigation proceedings.

Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with, and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.

Unless there are compelling reasons not to do so, Subjects will be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.

Subjects have a right to be informed of the outcome of the investigation. If allegations are not sustained, the Subject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.

The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure.

09. Protection

No unfair treatment will be meted out to a Whistle Blower by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistle Blowers. Complete protection will, therefore, be given to Whistle Blowers against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion,

or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistle Blower may experience as a result of making the Protected Disclosure. Thus, if the Whistle Blower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistle Blower to receive advice about the procedure, etc.

A Whistle Blower may report any violation of the above clause to the Chairman of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.

The identity of the Whistle Blower shall be kept confidential to the extent possible and permitted under law. Whistle Blowers are cautioned that their identity may become known for reasons outside the control of the Chairman of the Audit Committee (e.g. during investigations carried out by Investigators).

Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower.

10. Investigators:

Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Audit Committee when acting within the course and scope of their investigation.

Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior, and observance of legal and professional standards.

Investigations will be launched only after a preliminary review which establishes that:

- The alleged act constitutes an improper or unethical activity or conduct, and
- Either the allegation is supported by information specific enough to be investigated, or matters that do not meet this standard may be worthy of management review, but investigation itself should not be undertaken as an investigation of an improper or unethical activity.

11. Decision:

If an investigation leads the Chairman of the Audit Committee to conclude that an improper or unethical act has been committed, the Chairman of the Audit Committee shall recommend to the management of the Company to take such disciplinary or corrective action as the Chairman of the Audit Committee deems fit. It is clarified that any disciplinary or corrective action initiated against the Subject as a result of the findings of an investigation pursuant to this Policy shall adhere to the applicable personnel or staff conduct and disciplinary procedures.

12. Reporting:

The Report shall be submitted to the Audit Committee on a regular basis about all Protected Disclosures referred to him/her since the last report together with the results of investigations, if any.

13. Retention of documents

All Protected Disclosures in writing or documented along with the results of investigation relating thereto shall be retained by the Company for a minimum period of seven years.

14. Power to Amend:

The company reserves the right to amend or modify this policy in whole or in part, at anytime without assigning any reason whatsoever.
